Sir:

Prior to examination on the merits, please amend the
referenced application as follows:

IN THE CLAIMS:

Please amend claim 10 as follows:

-
- a'*
10. (Amended) A method of data preservation comprising:
- a) providing a small data safe;
 - b) downloading data from a portable data-holding device to the data safe as a default condition when the portable device and the data safe are coupled, or at least as a condition involving no more user input than does downloading; and
 - (c) recharging a battery of the portable data-holding device when said device and the data safe are coupled.
